STOLEN HENDERSON GUITAR

Serial Number 525

This Henderson Guitar (Serial Number 525) belonging to Ersel Fletcher was stolen at the Smyth County Jam Monday night, August 27, 2012. If you were at the jam and noticed anything or anyone suspicious, please contact us and give us the details. Time is of the essence. The guitar was removed from the case and probably carried out in another case. If you saw anyone enter or exit the room on the far left in the back, please let us know.

If you were not at the jam, and have heard or seen anything that may lead to the recovery of this guitar please contact us. We need to work together to stop this thief from stealing again.
